SCHEDULE GP-8

UNMETERED SEWER GRINDER PUMP ELECTRIC SERVICE RATE SCHEDULE

The Marshall County Rural Electric Membership Corporation (REMC) shall charge and collect for unmetered sewer grinder pump electric service on the following basis of availability, application, character of service, monthly rate, minimum charge, power cost adjustment and tax adjustment.

AVAILABILITY

This schedule is available to private or government organizations for sewer grinder pumps located within the territory served by Marshall County Rural Electric Membership Corporation.

APPLICATION

This schedule is applicable to all electric service used exclusively for unmetered sewer grinder pumps rated at 1.5 horsepower or less.

CHARACTER OF SERVICE

Service under this schedule shall be single-phase, sixty Hertz, alternating current, at 120/240 voltage. Standby or resale service is not permitted hereunder.

MONTHLY RATE

Energy Charge

Per Pump based on 15 kWh per month average use \$3.83 per Pump

Minimum Charge

The monthly minimum charge under this rate schedule shall be the "Energy Charge" per pump III service.

TERMS AND CONDITIONS OF SERVICE

Service shall be provided based upon the REMC's rules and regulations as filed with the Indiana Utility Regulatory Commission (IURC).
